

VICTORIA SQUARE | BELFAST

Victoria Square is Belfast's number one shopping destination. It is home to over 50 stores including House of Fraser, Topshop, Cruise, Reiss and H&M.

J & J Carter were contracted to design and manufacture the internal tensile fabric sun screens. The screens are individually connected to the sails booms with a Keder track system and catenary tensioned vertically. The sails were made using a Class 0 fire rated PVC Coated Glass Fibre.

KEY FACTS

LOCATION: United Kingdom

STRUCTURES: Tension Structure

INDUSTRY: Retail

ROOF FORMS: Planar

MATERIALS: PVC Coated Glass Fibre
